

BRUCE OAKE ALUMNI

The Bruce Oake Alumni Association is continuing to give back to the community. Their first ever Family Fun Day was a great success. As the Alumni Association continues to grow, please join us for our next gratitude ceremonies on November 23 and December 21. Please contact Kristine at kristine@bruceoakerecovery.ca for more details.

"My experience at The Bruce Oake gave me the skills, proper healing time and new knowledge to get my life back on track for a positive future. My time at The Bruce Oake gave me the opportunity to rethink my life, set achievable goals and make my new life a positive journey for me and my family. I took my health more seriously and got my mind and body ready to be employed again and stay employed. I took the day-to-day classes seriously and it has paid off, my family is very impressed with the outcome. Coming to the Bruce Oake was the best decision my family and I have made in years."

RECOVERY DAY AND MOTION 10

Bruce Oake Recovery was one of five organizations which led Recovery Day Winnipeg 2022. Recovery Day is an event which is geared toward providing education and hope to our community that recovery is real, attainable, and sustainable. We are proud

to be a part of such an incredible nationwide movement which focuses on recovery! As part of this important work, we asked those in attendance to support Motion 10. Motion 10 has been passed and September has officially been recognized Nationally as Recovery Month! It's an exciting time to be a part of the solution. We are grateful to our community which continues to support this work and look forward to seeing everyone in 2023!

ANNE OAKE TRIBUTE

On July 6, 2022, Bruce Oake Recovery Centre unveiled the Anne Oake plaque at the one-year milestone of the centre. The community gathered to celebrate the life of Anne Oake and the legacy she leaves at the Bruce Oake Recovery Centre. Without the hard work of the Oake family, the Bruce Oake Recovery Centre would not be at the place we are today with well over 100 Alumni.
